EDUCATION

Duke University, Durham, NC | B.S. in Computer Science | GPA: 4.0/4.0

August 2025- May 2029

SAT Score: 1560 (Math 800/ Verbal 760) | National Merit Scholarship Finalist | Valedictorian of Half Hollow Hills High School East

RELEVANT COURSEWORK

AP Computer Science Principles (2022), **AP Computer Science A** (2024), **Data Structures and Algorithms** (Fall 2025), **Introduction to Computer Systems** (Spring 2026), **Building and Sustaining an Enterprise** (Summer 2026)

SKILLS

Technical: Java, Python, R, C, Claude Code, Figma, Cursor, Codex, HTML, CSS, Javascript

Dev Tools: Git, GitHub

Languages: English, Spanish

SELECTED PROJECTS AND AWARDS

Small Language Model | Java | Designed and developed a small language model to simulate algorithm of LLMs

UberKid App | Figma | Designed a safety-focused ride-share app for minors with real-time monitoring

Emergen-Q | The Cube LLC Buildathon | Won the Social Impact Award (\$500) for developing an AI-driven emergency room triage and wait-time prediction system improving transparency and patient outcomes <https://fifty-petal-57644868.figma.site>

Personal Website | Javascript, CSS, HTML | Designed and developed a personal website

EXPERIENCES AND LEADERSHIP

Athletic Training Portal (ATP)

Durham, NC

Product Management Intern

May 2026-Present

- Leading frontend development and UI design for an early-stage sports-tech platform, building core product features from the ground up using React and TypeScript
- Supporting customer acquisition efforts by identifying target users, conducting outreach, and helping develop go-to-market strategy for initial user growth

Duke in Silicon Valley

San Carlos, CA

Innovation Scholar

May 2026 - June 2026

- Completed PM course covering wireframing, prototyping, and core product management principles, applying skills directly to advise early-stage startups on product decisions and user experience
- Engaged in "Building and Sustaining an Enterprise" with Aaron Dinin, working with Silicon Valley startups on customer empathy, venture financing, and go-to-market strategy
- Applied frameworks including Jobs Theory and customer acquisition strategy to real startup challenges, developing hands-on skills in cold outreach, pitching, and market opportunity evaluation

Crohn's and Colitis Foundation

Dix Hills, NY

Leader of Teen Support Group & 2024 Take Steps Pediatric Honored Hero

August 2023 - Present

- Regular meetings with administration for fundraising, research and support group
- Engaging with other teens affected by Crohn's disease or ulcerative colitis to comfort and alleviate stress
- Raised \$6,500 for Crohn's & Colitis Foundation; Delivered keynote speech at annual fundraiser

Sunrise Day Camp

Wheatley Heights, NY

Volunteer Counselor

June 2024 - August 2024

- Counselor for children with cancer and their siblings; Create an inclusive environment for campers to escape stresses of home life

ACTIVITIES

Campus Enterprises (**Shareholder**); DTech (**VP of Community Development**); FEMMES+ Connect; Duke University Student Dining Advisory Committee; Stony Brook Institute for Advanced Computational Science (**2024 Finalist**)

RESEARCH AND PUBLICATIONS

1. Tasha's Tummy Monster | Children's Book | Authored and published children's book to alleviate fears of children diagnosed with Crohn's disease; available on Amazon, Barnes & Noble, and donated to GI offices

2. Rabinovich E, Markowitz J, Cerise, **Zinkin J**, Sahn B. Predicting pediatric inflammatory bowel disease remission utilizing a clinical decision support tool. Journal of Ped Gastro and Nutr. Feb 2026. 1-6. (accepted for presentation at NASPGHAN international conference)
3. Toxicity with Contemporary Radiotherapy in Patients with Inflammatory Bowel Disease (IBD) Treated for Pelvic Cancers; Accepted for presentation at ASTRO international conference, Sept 2024; interviewed for CancerNetworkmedical podcast
